

Authorization to Release Minors to Persons Other than the Legal Parent or Guardian

FOR CAMP STAFF MEMBERS OF CAMP ACAHELA

Due to current BSA regulations, Camp Acahela cannot release staff who are minors (under age 18) to persons other than legal parents or guardians without specific authorization in advance. If a staff member needs to leave camp at any time during the week with a person other than a parent or guardian for purposes not related to regular, supervised camp programming, this completed form must be already on file at the Camp Office.

This policy allows 1) family or friends to pick up the staff member for obligations outside of camp and 2) certain or all adult staff members to drive the minor out of camp for "staff nights out" or other similar activities. **Otherwise, youth staff will not be allowed to leave camp.**

A release does not have to be filed for persons driving the staff members home when they are dismissed on weekends, particularly for rides arranged in advance. The camp leadership will respect your preferences in these areas.
